

# GUELPH ARTS COUNCIL YOUTH OPPORTUNITIES AWARD

## Terms of Reference

Guelph Arts Council's Youth Fund was initially established as a result of the financial success of Youth in Performance presentations that Guelph Arts Council sponsored between 1980 and 1990. Additions to the fund were made over the years, and awards were extended to graduating Guelph high school students in recognition of talent, excellence and creativity in the visual or performing arts. In 2005, the awards program was discontinued and Guelph Arts Council began to assess how best to support youth in the arts. At the same time, in order to get the best return on investment, the capital of the fund was turned over to The Guelph Community Fund to manage.

Commencing in 2009, through funds generated from the Guelph Arts Council Youth Opportunities Fund at The Guelph Community Foundation, Guelph Arts Council offers an award(s) that will initiate, enhance or expand opportunities for children and youth to experience or become engaged in the arts.

### Eligible applicants

Any local artist or not-for-profit group that proposes to offer a program that will *initiate, enhance or expand opportunities* for children and youth under age 25 to experience or become engaged in the arts in Guelph or Wellington County. Groups could include established arts organizations, neighbourhood groups, community groups, multicultural groups, educational institutions, student groups.
2. Any local youth who proposes to develop a program that will *initiate, enhance or expand opportunities* for children and youth under age 25 to experience or become engaged in the arts in Guelph or Wellington County.
